*I'm Abbey, the local Christmas elf!  
Follow the tree symbols on the  
map to see trees / bushes or other  
outdoor spaces dressed with  
themes of the environment,  
animals and food! Enjoy the  
village looking fabulously festive!  
See you at the carols on the 15<sup>th</sup>!*

*Please note: these are approximate locations and might indicate multiple decorated households. We hope there will be more areas of the village decorated on 14/15 Dec, these on the map are the areas of the village kindly confirmed at the time of the map's creation. Please discover these - and more - as you wander and thanks so much to everyone who gets involved!*

### Celebration event:

**Come together from 6-7pm on Sunday 15<sup>th</sup>, for a tree trail celebration in the carpark outside St Matthews Church, bring your own refreshments and voices ready for Christmas songs and chance to compare tree trail tips! This is an open event for all the community and whilst we are asking you to bring your own drinks, we would love people to bring any baked donations such as cake and mince pies to share together. (Please ensure they contain no nuts and label clearly any allergens)**
